

Services we Offer

Immigration
Infidelity
Non Invasive Prenatal
Animal

Our Most Popular Service Legal Paternity

Relationship Tests to validate grandparent to grandchild, siblings, half-siblings, aunts, and uncles:

Grandparent DNA Test (if the father is not available for testing)

Sibling DNA Test (possible brothers, sisters, or half-siblings)

Avuncular DNA Test (aunt/uncle and niece/nephew)

The results of our legal DNA tests can be used for any legal purpose:

to change the name on a birth certificate
petition for child support
petition for survivor benefits
for child custody arrangements
alter inheritance procedures or wills
